

2021 Respite at Fathey Beer Company – Thursday June 17th, 2021
5 Genesee Street
Buffalo, NY 14203

The Respite begins around 4pm with food arriving around 6pm. There will be tables for us to use both outside and inside. Fathey Beer is a bottle shop, tap room, and craft experience. They sell a large and unique selection of craft beer, wine, cider, seltzer, and non-alcoholic drinks. If you are not ready to venture out for a beverage yet, stop by to pick up a 1, 4, 6, or 12 pack and enjoy a walk around the city with a 4-legged friend. Every Fathey location is dog friendly! They also offer free delivery to your home.

I will need a definite head count of people attending as food is being ordered off site. If you plan on staying for food, please let me know in your RSVP. If you plan on just stopping by for a drink, saying hi, and not eating, let me know that as well. Food will be provided to current WNYTEA members at no cost. If your membership has expired, you may renew your membership at the event.

Hope to see you all there!

-Pamela
