

Competition Category: NCCC Tech Wars 2022 Logo T-Shirts

Level of Competition: Middle and High School

T-Shirt Event Coordinator: slodovico@tonacsd.org

Description of the Competition:

Design next year's Tech Wars 2022 t-shirts! Place your design on the front of a **white t-shirt**. Your shirt must show a positive reflection of the theme described in the Rules below. The winner will be chosen by **TEACHERS & PROFESSIONALS** in attendance at the 2022 event. The winning t-shirt design will be used for the next year's Tech Wars 2023 awards. The Tech Wars committee reserves the right to alter the image if necessary for use as next year's logo.

Rules of Competition:

Maximum Two entries per school district/ maximum of two students per entry.

No repeats of t-shirt projects from prior Tech Wars competitions.

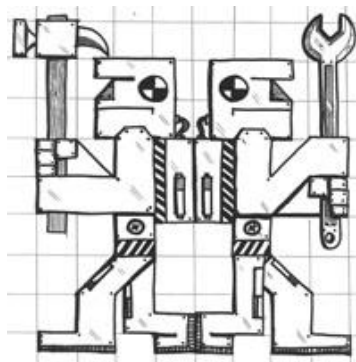

Design must be **ORIGINAL** student/group work.

Students can utilize any tools, software programs, or machines to develop the logo.

Supply a 8.5 x 11", One-color, "Line Art" design.

No photographic or color-filled art work.

Examples from previous years:

You may use an iron-on for the competition.

No vulgar language, obscenities, violence or gestures in the design.

No school logos, mascots, or other references to your school district.

The theme for Tech Wars 2021 t-shirts is:

"TECHNOLOGY PAST AND PRESENT"

Design must include the words: **Tech Wars 2023 Niagara County Community College** (NCCC)

(Font must be big and legible).

The school must attach a slip of paper stating the School name and Student(s) full name(s)

Contact Shawn Lodovico (slodovico@tonacsd.org) if you have any questions.
